

The personal data collected here is for Domain Name application only, and will not be used for any other purpose without the consent of the applicant. It will not be published anywhere, and will be protected under the NCHU data preservation and security policy.

NCHU Computer Center Domain Name Register Form

Department		Name	
Contact phone		Job title	
Domain Name			
Host Name (DNS Server)			
IP Address (DNS Server)			
Supervisor signed or sealed			
Note :			

It is not recommended to build a DNS server, if your department is not without long-term professional and technical support manpower.
